

AHC AUDIO LAMPS.

Safety

Do not use in a non-polarized outlet. Do not defeat the safety features of the plug. Only use T-10 5 inches or shorter less than 8W dimmable LED lamps. Do not use with incandescent or halogen bulbs. Do not use if cord becomes frayed. Do not repeatedly flex cord. Do not change bulb with unit plugged in.

Use

Caution - top and bottom are not fastened to the steel cage. Both top and bottom are removable. Carry from the bottom at all times. Remove top to replace bulb. Remove top by gently pulling on the top while holding the steel cage in place. Lamp is dimmable using the slider on the cord.
